#### I. <u>INTRODUCTION</u>

The Town of Thatcher, Arizona (the "Town") is seeking qualified professionals to be considered for a Professional Services Selection List for ON-CALL ENGINEERING - WASTEWATER during the 2024/2025 through 2026/2027 Fiscal Years. Qualified firms and/or individuals must be licensed with the state board of technical registration in Civil, Environmental and/or Sanitary Engineering. Applicants must be knowledgeable in all aspects of wastewater collection and treatment design, with specific experience in lagoon wastewater treatment systems. Qualifications shall be submitted in the form of a Statement of Qualifications (SOQ).

The Statement of Qualifications process will establish the terms and conditions governing the selection of firms/individuals to provide engineering services. All statements shall be in the specified format in the Submittal Requirements section below.

#### II. <u>BACKGROUND</u>

The Town of Thatcher owns and maintains a wastewater collection and treatment system. The collection system comprises approximately 33 miles of collection and transmission mains, serving the approximately 5,300 residents of the Town of Thatcher. The oldest portions of the collection system was designed in 1969 with construction shortly thereafter.

The Town owns and operates a lagoon wastewater treatment plant (WWTP) which receives all of the sanitary sewer from the Town. That system was initially designed in 1969 and constructed shortly after. Improvements to the treatment plant were designed and constructed in the mid-1990's which increased the overall capacity of the system.

The Town would like a thorough analysis of its existing WWTP. Existing and projected capacity, existing condition of the WWTP and its key components, useful life of critical components, recommended maintenance, recommended improvements, etc. all need to be analyzed and evaluated. The Town will work with the selected consultant(s) to evaluate the system and develop a 5-year and 10-year plan for routine maintenance and necessary replacements and upgrades.

#### III. SELECTION OF QUALIFIED CONSULTANTS

Consultants will be selected for inclusion on the Qualified Consultants List (QCL) in accordance with the Request for Statement of Qualifications (RFQ). Recommendations for inclusion on the QCL shall be made by the Town's Selection Committee.

The Town of Thatcher (Town) may award an On-Call Professional Service Agreement (Agreement) to at least one and no more than two (2) Consultant Teams to be placed on the Town of Thatcher's QCL for Engineering Services - Wastewater. Each may be offered an Agreement for an initial term of one (1) year, renewable for up to two (2) consecutive one-year periods at the discretion of the Town. If the Town decides to continue to receive professional services from a Consultant under the Agreement, the Town will issue a professional services agreement amendment extending the term. If the Town, at its sole discretion, decides not to renew, the Town will issue a letter of notification of intent not to renew, which will terminate the Agreement accordingly.

Consultants under contract will be selected to provide professional services based on the Town's needs within the contracted period. The Town shall issue a Purchase Order or Authorization for Services as required. It is anticipated that the aggregate of all Purchase Orders or Authorization for Services will not exceed \$75,000 for any one consultant in any one fiscal year.

#### IV. <u>SUBMITTAL REQUIREMENTS</u>

1. <u>INSTRUCTION FOR SUBMITTAL</u>: One (1) digital copy and two (2) <u>bound</u> copies of the SOQ are required by the Town of Thatcher. All copies shall be contained in a sealed envelope or box and marked "TOWN OF THATCHER ON-CALL ENGINEERING - WASTEWATER" and shall be addressed to:

Annie Reidhead - Town Clerk Town of Thatcher 3700 W. Main Street Thatcher, AZ 85552

The Consultant's name and address shall be printed in the upper left corner of the envelope or box in which the submitted documents are contained in at the time of delivery.

- 2. <u>REJECTION OF SUBMITTAL</u>: The Town of Thatcher reserves the rights to reject any and all SOQ and/or waive irregularity or informality in any such SOQ, at its sole discretion, to the extent permitted by law.
- 3. <u>WITHDRAWAL OR CHANGE OF SUBMITTAL</u>: A SOQ may be withdrawn by written notice, on the Consultant's letterhead stationery, received by the Engineering Department, Town of Thatcher, at any time before the exact time and date specified for submittals.
